

## Health Regulations

1. Each animal must be accompanied by **TWO COPIES** of an official interstate health certificate issued by a licensed, accredited veterinarian. Certificates must show name and address of consignor; consigned to the Summer Type Conference or National Junior Summer Spectacular, Louisville, Ky.; individual identification of animal; and health status of animal, including the dates of required tests and vaccinations. **Crossbred animals must be identified by a federally recognized numbered ear tag.**

2. All certificates must be issued after June 8, 2009, with the following information:

**A. Brucellosis:** All animals must originate from a Brucellosis Class "Free" state or be from a validated brucellosis free herd with the validation herd number and test date on certificate or be negative tested for brucellosis after June 8, 2009, and test date written on the certificate. Texas exhibitors must be from a validated brucellosis free herd with the validation herd number and test date on certificate or be negative tested for brucellosis after June 8, 2009, and test date written on the certificate.

**B.** Since all states are Stage 5 of the Pseudorabies (PRV) eradication program, no testing is required for this show. If the animals come from a Pseudorabies qualified herd, it is required that this number and the last test date appear on the health certificate.

**C.** Vaccination against Leptospirosis (6-way) including bratislava and erysipelas. The date of vaccination **MUST** be listed on the health certificate.

**D.** All health certificates must list the following statements: no raw garbage fed, herd is not under quarantine for any disease and uses no PRV vaccine.

**E.** Since Utah requires a test for PRRS, no animal from this sale may be purchased to go to the state of Utah.

A health certificate must be inspected and approved by the Kentucky Department of Agriculture, Division of Animal Industry, before unloading. If you unload before the approval, you will be asked to leave.

Evidence that a paper has been altered will result in dismissal of the shipment. All swine brought to the STC and NJSS must be listed on the health paper and meet the same requirements as the swine being shown.

Any health certificate with animals originating from outside Kentucky **MUST** get a permit number before

coming to the show. To obtain a permit number, a licensed, accredited veterinarian must call the Kentucky State Veterinarian's Office at 502.564.3956.

## General Information

Entry fees must accompany the entry form. All late entries will be charged double the regular entry fees. Entry fees are non-refundable. The NSR reserves the right to close entries after the printed deadline. **Entries must be postmarked by May 15, 2009.**

All hogs entered at the STC must have been owned by May 4, 2009, by the exhibitor.

All entries must be eartagged using the NSR system. **All entries must be recorded by June 15, 2009. After that date, exhibitors will be charged a rush fee. All exhibitors must be junior or senior NSR members.**

No entry or substitute entry will be allowed to show or sell without a registration certificate. Entries will be divided into classes by farrowing date. **All hogs must enter the fairgrounds between 8 a.m., June 30 and 9 a.m., July 2, 2009.**

**No clipping is allowed in the barns.**

## DNA Stress Statement

No known stress positive or stress-carrier animals will be allowed to be exhibited or sold at any NSR-sponsored event.

Such warranty is, however, solely that of the seller and not that of the American Landrace Association, American Yorkshire Club, Hampshire Swine Registry or United Duroc Swine Registry.

The American Landrace Association, American Yorkshire Club, Hampshire Swine Registry and United Duroc Swine Registry assume no responsibility or liability in connection with such warranty by the seller.

If any animal sold at this conference is found to be a carrier of the stress gene, the purchaser has the right to receive full refund of the purchase price from the seller.

DNA testing for the stress gene must be done within 60 days of the sale date and all costs associated with the testing for the stress gene must be paid by the purchaser. The seller has the right to review the test results and the right to re-test the animal at a laboratory of his choice.

Cost associated with re-test by the seller is at the seller's expense. **There will be no refund of NSR commission from stress-carrier animals.**

## Breeding Animal Sale

A minimum of 60 percent of the number of each sex (boars and gilts) shown will be selected for the sale. These animals will be selected by the judge with no set number selling from any single class. Animals not selected for the sale can be consigned their to the sale for an additional fee of \$20 per head. If the animal sells, the fee will be applied toward the sale commission. If the animal does not sell, the fee is forfeited.

All animals selected and cataloged for the sale must go through the auction. Sale commission will be 15 percent for all animals.

The NSR acts only as the agent between the buyer and seller. If proper payment is made by the buyer in a timely manner, the NSR will make settlement with the seller in approximately 30 days after the sale.

If an exhibitor has a NSR account that is past due, funds from the sale of their animals will be applied to their past-due account.

## Exhibitors & Eligibility

Entries are limited to four boars and four open gilts per breed (Duroc, Hampshire, Landrace, Yorkshire) per exhibitor (NJSS Landrace gilts only). All entries must be farrowed on or after Dec. 1, 2008, and must have at least six teats on each side.

Entries must meet breed requirements. Entries that do not meet these requirements will not be allowed to show or sell.

## Special Breed Requirements

By entering any animal in this conference, the owner warrants that the animal meets specific breed requirements.

Such warranty is, however, solely that of the seller and not that of the HSR, ALA and AYC, and the HSR, ALA and AYC assumes no responsibility or liability in connection with such warranty by the seller.

If any animal sold at this conference is found to be a carrier of the color gene after being tested through the procedures approved by the HSR, ALA and AYC, the seller agrees that he will promptly refund the full purchase price to the buyer. **No refund of NSR commission will be given to animals that are carriers of the color gene.**

**A premises ID number is needed.**
