

National Junior Summer Spectacular Exhibitor Letter

Dear National Junior Summer Spectacular Exhibitor,

The 2024 National Junior Summer Spectacular will be held June 30-July 6 in Louisville, Kentucky at the Kentucky Expo Center. In order to make this event run smoothly, we've included a few reminders.

Before You Leave Home

1. Be sure to have a Certificate of Veterinary Inspection (CVI) (Health Papers) for all animals coming to the National Junior Summer Spectacular. Work with your veterinarian to make certain the CVI is filled out completely and accurately and meets all requirements for the health regulations.
2. Make sure all animals are identified with an official ear tag. Ear tags must be in the animal's ear and tag numbers should be listed on the health certificate to identify each animal.
3. Ear notches must also be listed on the Certificate of Veterinary Inspection (CVI) for each animal.
4. Make sure all purebred animals meet breed eligibility requirements for their respective breeds. For more information on breed eligibility requirements, visit nationalswine.com, cpsswine.com and americanberkshire.com.
5. Be sure to bring pedigrees for all purebred animals. Please review pedigrees to make sure they accurately meet all required information (exhibitor name, ear notch, sex, date of birth, **transfer of ownership/date of transfer**).
6. Due to space limitations, exhibitors are required to pen two pigs per pen, from your entries. Please bring pen dividers, if needed, as they will not be provided.
7. **Is your Silent Auction donation ready for the annual**

National Junior Summer Spectacular Silent Auction?
Join in the fun and bring an item that you think would be of interest to other NJSA members and their families. The money raised from this Silent Auction will support NJSA shows and activities. Please drop off your item from during registration.

Arrival & Parking Passes

1. When you arrive, please go to Lot V. Veterinary inspection will take place in Lot V. The official show veterinarian will inspect animals and original CVIs.

2. Please have animals' ORIGINAL CVIs and test chart results ready for inspection upon arriving.

3. Only original CVIs will be approved by inspectors.

Health Regulations

1. All animals coming to the National Junior Summer Spectacular and Summer Type Conference must be accompanied by a Certificate of Veterinary Inspection (CVI) (Health Paper). A complete list of health regulations can be found **HERE**.
2. Barrows and gilts that are ONLY being exhibited in the JUNIOR SHOW (NJSS) are not required to be blood tested for PRV and brucellosis. ALL animals that will be entered in the Summer Type Conference OPEN SHOW MUST be individually tested for PRV and brucellosis, UNLESS the animals come from a qualified, validated herd and perform quarterly testing. This rule is required for open show animals, due to the fact, that some purchasers of animals through the sale will return to states that have additional test requirements for interstate transport of swine.
