NEW FOR 2023* The National Swine Registry Executive Committee has voted to implement the weighing of ALL junior purebred gilts. This will be in place starting with Southeast Regional 2023. All exhibitors will be required to go to one of the designated scales in the barn for breed eligibility checks and be weighed by NSR staff members during the designated time as posted on the schedule. Weight cards will be obtained once the gilt is weighed at the scale.

Junior purebred gilt classes will be broken first by month of birth, then by weight within month of birth. A minimum of 3 gilts per class will be reweighed, outside the showring at the conclusion of each class. This data will be used to guide future decisions regarding junior purebred gilt exhibition rules. All purebred gilts will be weighed from 1: 00 p.m. – 3:00 p.m. on Friday, November 10th.
