

# PROVISIONAL PEDIGREES

Hampshire litters born on or before May 31, 2019 and sired by boars that failed the Hampshire Breed Profile Test (HBPT) will be eligible for recordation in the Hampshire Swine Registry and will be issued a "Provisional" pedigree of registration. This "Provisional" pedigree will allow an animal to be exhibited in classes for registered Hampshire animals in junior or youth livestock events.

Below is an example of what the Provisional Pedigree looks like. Differences from a normal pedigree are highlighted.
